Robes Ambassador Position

Location: Multi
Hours: Ad hoc

About Robes:
We have been supporting those who are experiencing homelessness in Southwark and Lambeth since 2007, through our winter night shelters, weekly day centre Wednesday Club, our floating support tenancy sustainment program, and signposting services.
At Robes, we believe that it takes a village to support someone out of homelessness, and there is a role that everyone can play.

Position Description:
January 2027 marks 20 years since Robes came into being. We are having a number of events to mark this occasion, and want to make sure that all of our volunteers know what is happening.

We are looking for people to become ambassadors for Robes. We would like to train them up to have a greater understanding of both Robes and the homeless sector, so they can help to further educate our volunteer pool. Our ambassadors will help to spread the word about events going on within the Robes network to the rest of our volunteers.

We are also hoping that each church we partner with will consider doing one fundraising event for Robes in our 20th anniversary year. We envisage the ambassadors will drive this effort.

In the future, we are also looking to develop these roles (for those who would be interested). We envision our ambassadors representing Robes at various events – fundraising events, speaking to schools and universities about homelessness, speaking at various faith organisations (perhaps organisations who are considering becoming host venues), and speaking at other key events.

As this is a new role, we are very interested to hear your ideas on how else you or other volunteers may be able to contribute.

What we're looking for:
Strong communicators who want to help spread the word.

If you are interested to know more about this volunteering opportunity please email lisa.moodie@robes.org.uk as soon as possible. Please provide a way for us to contact you by email and or phone.
